Good morning, Rebecca

Below is Beth's bio and her head shot is attached. Don't hesitate to reach out if you need any other information.

Beth Steinhorn, President, VQ Volunteer Strategies

Beth partners with organizations and their leadership to increase their impact through strategic and innovative engagement. The author of multiple books and articles on strategic volunteer engagement, she is a popular speaker and trainer, known for her interactive and inspiring presentations. As a thought leader, Beth regularly participates in the national dialogue about volunteerism and engagement. As a Service Enterprise Trainer, she has also trained and supported dozens of organizations to become certified Service Enterprises. Prior to becoming a consultant, Beth worked as an executive director and marketing director for education and faith-based organizations and spent years working with museums as an educator, manager, and anthropologist. She draws upon her anthropology experience still, helping organizations through the culture-shift process—from viewing volunteer management as a program to embracing engagement as a strategy to fulfill mission.

Have a great weekend,
Linda

Hi Linda and Beth,

While we're waiting for the contract to be signed, I was wondering if you could send me your headshot and bio to include on the website. I'm going to start building it out and open registration on August 31st.

Thanks so much,

Rebeccah
